# Squeezebox™ Boom

All-In-One Network Music Player with Integrated Speakers

## Bring Your Digital Music to Any Room in Your Home

Plug it in. Turn it on. Rock the house — The all-in-one network music player that combines award-winning Squeezebox functionality with an integrated amplifier and speakers to deliver your digital music to any room in your home. All in a compact size. Just plug it in, follow the network configuration wizard, and enjoy the music and content you love, with crystal clear sound.

### Key Features

- Integrated, all-digital amplifier and breakthrough acoustics for a big, crystal-clear sound that fills a room
- SqueezeNetwork™ online music service for easy access to your favorite music
- Compact, all-in-one design with wireless connectivity for clean, clutter-free installation
- True 802.11g wireless networking for optimal network speeds and more secure connection
- A seven-day alarm that wakes you with your favorite playlist or Internet radio station

Logitech®

# Squeezebox™ Boom

All-In-One Network Music Player with Integrated Speakers

### Integrated, All Digital Amplifier and Breakthrough Acoustic Design

Crystal clear sound that's big enough for any room in your home.

### Support for All Major Digital Music Formats for Playing All of Your Favorite Songs

The music player supports all digital music formats, so you can be confident that you can play all your favorite music anywhere in your home.

### No Need to Run Wires – Wireless Technology for Clean, Clutter-Free Installation

With advanced wireless technology (802.11g), you won't need to run any clumsy cables or wires across rooms or through walls to bring your music to any room in your home.

### 7-Day Alarm

Wakes you to your favorite playlist or Internet radio station.
